ESTABLISHED 1840.

MEMPHIS, TENN., FRIDAY, SEPTEMBER 16, 1870.

DEMOCRATIC CONVENTION.

Full Report of the Proceedings Officers Appointed and Resolutions Passed.

The Platform-Nomination of General John C. Brown-Speeches of Leading Democrats.

From the Nashville Union and Ameriean of Wednesday, we compile the follow-ing report of the proceedings of the Dem-ocratic Convention of Tennessee, omitting such speeches as we published by tele-graph in the APPRAL of Wednesday morngraph in the AFPRAL of Wednesday morn-ing:

At 11 o'clock George J. Stubblefield,

Chuirman of the Democratic State Excentive Committee, took the stand and stated that the hour for the calling of the Conthat the hour for the calling of the Convention having arrived, he suggested that the Convention would be opened with prayer by the Rev. A. A. B. Bryant, of Hardemsu county, who came forward and offered up a prayer to the Throne of Grace in behalf of the good, peace and prosperity of this great nation. He prayed that this body should be one in sentiment, and that in their deliberations they might be imbued with wisdom, and that great and permanent good might result from their labors.

BEMARKS OF GEN. GORDON.

"Gentlemen of the Convention: I can do no better than to thank you for this manifestation of your kind regards, in calling me to this important position. It necessarily follows that I must labor under the embedding which we have passed, is der more or less embarrament, but at the party which we represent to discharge the duties imposed upon me. The object of our assemblage here to day, as representatives of the personance of the fine party which we represent to day.

The Version around Hastings. Carriages or horses are never employed. The Paris fashion journals have suspended publication. Mournings are generally worn in Paris and Barlin.

The vessel wrecked on Goodwin sands the party which we represent to day. I do not wish any old-line Whig to go away from this Convention feeling that has been to the fineral of his old the personance of the convention feeling that has been to the fineral of his old the personance of the convention feeling that has been done, and I do not believe there is a Democrat here (I mean those men who are indeed against fadicalism) who is not riages or horses are never employed.

The Gaulois has reason to perdict a haspy result from the peace negotiations stant excursions around Hastings. Carriages or horses are never employed.

The Paris fashion journals have suspended publication. Mournings are generally worn in Paris and Barlin.

The vessel wrecked on Goodwin sands was ascertained to be the ship Elishs was a scentained to be the ship Elishs.

The ware indeed against fadicalism) who is not personance of the personance of the first that the party which we represent to day.

The vessel wrecked on Goodwin sands was ascertained to be the ship Elishs and two personance of the first that the party which we have passed, is the personance of the first that the party which we have passed, is the personance of the first that the party which we have passed, is the

The committee also reported the rules of the present General Assembly, so far the modern John Brown. After thanking the Convention, the speaker closed smid on motion, the report was received and adopted, and the chair appointed T. M. Jones, of Middie Tennessee; W. Cooke, of East Tennessee, and Col. D. M. Wisdom, of West Tennessee, a committee to conduct Gen. Quaries to the chair.

The committee the property forward The committee then brought forward Gen. Quarles, who, upon taking the chair, was received with applause. He then ad-

votes divided among the counties re-spectively. The report was adopted. A recess was then taken until 2 o'clock. Upon the Convention being called to or-der at that hour the Committee on Reso-tions reported the following:

PLATFORM. We, the representatives of the Demo in Convention assemblee, forgetting all past differences and deprecating all st-tempts to engendered animosties, meeting on terms of perfect equality and animated by common hopes and purposes, do heartily unite for the support and vindication of the principles and policy pro-claimed by the great National Democracy.

RESTORATION OF STATES.

1. Resorred, That the Southern States

should be immediately relieved therefrom,

3. Resolved, That we denounce the pre-sent tariff, as well as the substitute lately introduced in the House of Representa-tives, from the Committee on Ways and Means, as a gigantic robbery of the labor and industry of the country; that they are solely designed to advance the interest of a few monopolists, and that this should no longer exist; and that no candidate is

worthy of support who is not in favor of a low revenue tariff, which closely approxi-mates to free trade; that in the arrange-ment of any tariff, the necessaries of life should be free of duty. INTERNAL REVENUES. 4. Besolved, That the internal revenue system of the United States is oppressive in its exactions; that it should be remedied; that its annoyances of stamps, li-censes and taxes upon sales and income abould be abolished; that the tax itself uld be collected by State and county

and eats out the substance of the people, and that we pledge ourselves to labor for a thorough reform in this particular.

revenue laws which authorizes the seizure and confiscation of the property of the citizens and their imprisonment, sided by the bayonet, without trial by jury and conviction, is subversive of the rights of the people and in contravention of the Constitution and should therefore by

them; and that in place of the motes of such banks, the treasury notes of the United States shall be substituted.

\*\*REPUBLICAN GOVERNMENT.\*\*

10. Resolved, That the Democracy here assembled sympathize with the efforts of all people struggling for self-government; and we denounce the policy of the party in power to reduce whole States in our Union to a condition of vassalage to the General Government.

\*\*TURKEY.\*\*

\*\*Induess to the French wounded and prisoners.\*\*

\*\*It is understood that the Spanish government is preparing designs of Republican leaders.\*\*

\*\*A great amount of amumnition is stored in the magnatines.\*\*

\*\*TURKEY.\*\*

\*\*TURKEY.\*\*

\*\*A Very Vexed and Vexing flue in the magnatines.\*\*

\*\*Desided.\*\*

London, September 15.—The Prans.

Paris Darbor Trochu, in an order o organized discipline there is strength, and without it there is no strength. Do not believe that in your imagined security, your enemies are not organizing against you. They are watchful and vigilant. We must be also watchful and vigilant. Hemember, gentismen, that there is wisdom in but one word in party organizations, and that is harmony. Let us have harmony of action here and everywhere. Let us determine that the same harmony we determine that the same harmony we are eagerness to hear from Paris and Rome. The news from the latter city is

ANOTHER FAMILIAR VOICE FROM MONT-Hou. John F. House being loudly called for, responded in a few brief but well-timed remarks. He said that for the first time in ten long years had the freeapitol and assembled in Convention to cominate a candidate for Governor. The dressed the Convention substantially, as was reported by telegraph in the Apreal of Wednesday.

A committee on resolutions was appointed; also a committee on basis of representation.

A resolution was presed to have three persons from East Tennessee, fire from West of the manhood of their sons insulted by the treasury plundered and the instincts of the manhood of their sons insulted by the treasury plundered and the insulted by the treasury plundered and the instincts of the manhood of their sons insulted by the treasure plundered and the instincts of the manhood of their sons insulted by the properties of the proper Tennessee, added to the Committee at Large without reference to districts. The motion was passed, and the Charman was allowed time to appoint the Committee at discretion.

The Committee on the basis of representation reported the following:

That each quanty shall be entitted to twelve votes for each representative in the present Legislature. That each for

That each county shall be entitled to the present Legislature. That each floating district shall be entitled to twelve. stitutional rights to put any of them under disabilities. It is treason to liberty for every freeman not to do all in his power to make their acts infamous. He had walked down the streets of his old town when they were black with voters, and yet he was warned not to go near the polls. With such a picture as this staring him in the face he could hardly respect a ratic party of the State of Tennesses here | man who would come to him and ask him not to affiliate with the Democratic party. When he returned home from the war, how was he met by this Republican party. He was denounced as a rebel, a traitor, and insalt after insult was heaped upon him. He would fight under the Democratic banner as long as God per-mitted him to live. Some men say they nitted him to live. Some men say the lo not like the name. He liked any nam I. Resoured, That the Southern States should be immediately restored to their rights under the Constitution of the United States as sovereign States of the American Union.

POLITICAL DISABILITIES.

2. Resolved, That all citizens of the United States, under political disabilities, should be immediately relieved the refrom upon God's earth that is opposed to the Radical party. The people of Tennessee

greater prosperity than she enjoyed be-fore all these evils fell to her lot. He then thanked the Convention for its at-A VOICE PROM SHELBY. Judge T. W. Brown, of Memphis, spoke erty is in our midst. The renewed ver-dure and abounding fields of a peaceful agriculture bear witness that the roxy feet of this divinity have touched our soil. But more than all, this assemblage

to consider and determine grave public questions, attest her presence. The baycivil war have at last yielded to the law. If guided by wisdom we may at no distant day realize in our federal relations the same freedom that now belongs to our domestic affairs. But we must remember that if liberty flies from the rude alarms of civil war she hides in shame her face of civil war she hides in shame her face when faction divides her votaries. Hitherto united by a common calamity and compelled to resist the same hard fortunes, the partial success stready achieved offers no reason to renew past antagonisms or to indulge old feads. Our noblest citizens are yet excluded by odious disabiling statutes from participation in the government. Military menace still lowers on peaceful States. Centralization

lowers on peaceful States. Centralization threatens to overthrow local self-govern-ment, and corrupt administrations dement, and corrupt administrations description of the contravention of the people and in contravention of the constitution, and should therefore be abandoned.

ORANT'S ADMINISTRATION.

6. Resolved, That we denounce the profitigacy in the present administration of the Federal Government; the corruption which has entered all its offinial stations of the favoritism which, overlooking these stores for public trust friender to be attended to positions of public trust friender to be sufficiently which directs the destinies of the Republic without an apparent purpose, and manages its affairs with such temberrament and disaster to the music of the such disregard of the rights and fiberties collisions of its effects of its people at home, and with such disregard of the rights and fiberties collisions of the people.

Respondements of the people at home, and with such disregard of the rights and fiberties of the such disregard of the rights and fiberties of its citizens abroad.

Expendements are marshaled with other independent bands on those barren sands.

miled hosts of many and off antagonistic many and off antagonistic machine product bands on those barrens and a form of the product bands on those barrens and a form of the product bands on the product bands on the best interests of the product amountment as interests of the product bands on the product bands of the United States on the bonds of the United States of the product bands on the product band

VOTE OF THANKS. A vote of thanks was extended to the Chairman for the able manner in which he had presided over the deliberations, and also to the secretaries for their faith-ful records of the meeting.

VACANCY TO BE FILLED. The Chairman was instructed to fill his discretion the vacancy caused in the National Democratic Committee by the death of Mr. Leftwich. The Convention then adjourned sine die.

ENGLAND

NAPOLEON'S TETHER. London, September 15,-A dispatch

400,000 FRUSSIANS MOVING "ON TO PARIS."

LONDON, September 15.—A special dispatch dated St. Denis, yesterday, says; "The Prussians are approaching Paris in thousands. Accurate calculation places the number of the advancing Prussian forces at 400,000, There is great agitation here and in the neighborhood of Paris."

Sured that the defense of the city will be admirably sustained, Paris is ready to sacrifice all in order to give time to France to organize for an irreststible defense.

Seven thousand dollars worth of Nilsson tickets were sold to-day, Judge Bedford to-day sentenced Polk Eagan, for complicity in the robbery of the advancing Prussian forces at 400,000, There is great agitation here and in the neighborhood of Paris."

that Thiers has received further instructions to treat for peace, and hopes are entertained for a successful result.

ELOCKADE OF THE ELBE RAISED,

London, September 15.—There is intense eagerness to hear from Paris and Rome. The news from the latter city is scarcely less interesting to Englishmen than from Paris.

The shops are mostly closed, and the masters and employees alike are drilling. The workmen and National Guard made another demonstration of regard to Minister Washburne and the United States Government.

Lord Lyons warns English residents in Paris to luave the city now while they may years.

London, September 15.—The report of the atrocities committed by the Prussians at Bazailles, is confirmed by a letter received from the Duc de Fitz James, who was an eye witness, in which he says the Prussians punished the inhabitants for defending their village by setting the place on fire, and most of the National Guard were killed. The people sought refuge in cellars, and all the men, women and children were burned alive, the Bayarians drawing back into the flames, or shooting all those who tried to escape. I have seen friends who tried to escape. I have seen friends of Mazz'ni who laugh at the statement that he will renounce his republican

Italy,"
Two Americans were lost in a recent ascent of Mont Blanc. OCCUPATION OF BOME-WHAT NEXT?

nication with Paris has been stopped, but the telegraph is still working. The tele-graph lines run underground fifteen leagues from the city.

Thiers' mission to England is a failure. Prussia will only treat with the old Senate, Corps Legislatif and the Empress. This means war to the death for the provisional government, which, sooner than abdicate the Republic, will make Paris a neap of ruins. THE BRITISH MARINE.

LONDON, September 15 .- It is said that the British Government has suspended all its contracts for building furret ships. The steamship Kron Prinz, built for the Disraeli attended the harvest festival at Huntington to-day, and made a short speech, but did not allude to political The Vienna Presse says the Empress escaped from Paris through the exertions of Prince Motternich.

PEARPUL EFFECTS OF WAR London, September 15.—The French steamers on the Mediterranean have been diverted for passenger traffic to New Or-The Prussian scouts withdrew from The Prussian scouts withdrew from Nogent Sur Seine yesterday before the people, but were reinforced four kilometers off, and expected to return. Forty thousand Prussians are at Monvant, and 40,000 have been signaled at Crespy Envalos, and a strong advanced guard are at Montenet.

Hostilities are suspended at Mexicrs for the removal of the wounded.

Six hundred women and children left
Strasburg on the 18th.

The Gowleis affirms that the British
Government, has sent another letter to
the King of Prussia-demanding peace, and
asign, and where they would have peace
concluded, and also informing him of the
basis that would be agreed upon by the
neutral powers, would protect the integrity of the French territory. No written
answer was received to this message, but
the King tasks what guarantee the provisional government can offer, and whether
the French people and the regular government to succeed the present would satisfy
a treaty of intervention. No fighting has
occurred at Metz since the 2d inst., ex-

London, September 15.—Communication between Paris and Lyons has been destroyed, the Prussians having cut the wires and railroad at Monteran, sixteen miles southeast of Melun. A sharp skirmish occurred there between the German Uhans and French Turces, and the former had been beaten off. Firing was heard yesterday at Paris from the direction of Melun. Railroad service between Paris and Lyons is stopped. All bridges Paris and Lyons is stopped. All bridges which can be reached will be destroyed to-night.

PARIS READY FOR THE INVADERS. Paris, September 15.—Prussian dra-goons have appeared at Nogent Sur Marne, Calines, Sendis, Cresigny, Volges, Nanteuil, Piessy and Lindon, small towns to the east, northeast and outheast of Paris, The National Guard is being organized throughout France. General Trochu, in his order of the day,

says: "Seventy thousand men on the ramparts may, by persevering efforts, save Paris. The city is unapproachable if its defenders are properly armed.

The Counsellors of State have been temporarily suspended from their authority.

All foreign representations are still in

Last night Parisians were awakened by tremendous cannonading all along the ramparis. It was supposed the attack had been made and there was some excitement, which was allayed when the amnouncement was made that the gunners were only practicing.

Lagran, for complicity in the robbery of Booker Jackson, to eighteen and a faif years in the State prison, remarking that an effort would be made at the next term of the Legislature to have the penalty of the offense increased to life imprisonment.

for the national detense.

Large forces are being raised and equip ped in all the departments. that he will renounce his republican sentiments as soon as Home is the Italian capitat, and say that is one reason more for seeking to establish a republic in Italy."

A party of American volunteers passed through Tours to-day coming to Paris.

Conscripts of the regular army are drilling here daily. THE GATES OF PARIS CLOSED. Panis, September 15 .- The Prussians row the city will be completely isolated

and all the railways cut, with the excep-tion of the line running west from the to the Times announces that Prussia has dictated terms on which Italy enters Rome and creates great dismay. It is asked, "whose turn comes next?"

The occupation of Rome creates even more interest than the situation of Paris. The either forests will be destroyed to morrow. The gas connections will not be more interest than the situation of Paris. The Protestent element in England is jubilant.

PRUSSIA WILL ONLY TREAT WITH THE ENFRESS.

London, September 15.—Mall communication with Paris has been stopped, but the telegraph is still working. The telegraph is still working the received with wild enthance of the water at every stroke. At the half with the telegraph is lengths; the working like machinery. The ballet is lengths; the working like machinery. The b No French fortress has been taken. All excitement.

classes are resolved to fight to the death. IN FRONT OF STRASBOURG. Empress.
If the protember 15.—The besiegers completed the
third parallel before Strasbourg on Tuesday, and for the past forty-eight hours a
battery has maintained a constant fire with telling effect.

The Republic has been proclaimed in A detachment of General Kellert's command disperced a force of French riflemen near Colmar on Wednesday.

THE PEOPLE OF PARIS WILL FIGHT TO THE & DEATH, New York, September 15.—A cable special to the Sun says the news of the offer of American mediation was received with great gratitude, but Gen. Chesseret advised the people last night at Bellville to retuse the offer of mediation and fight. He said: "If the French Republic conquers alone and regains the freedom of her soil, it will not only be a consolida-tion forever of Republican institutions to France, but all over the world. Death or victory—there must be no other issue. Even among the bourgeois the same feeling prevails, and, strange to say, they are the only weak element. Officers are coming in from McMabon's army, who having been made cow-ards of, themselves betrayed and routed, say to the people that you can-not succeed where we failed. Some of-

the removal of the wounded.

The Spanish Ambassador left Paris last night for Madrid.

Six hundred women and children left Strasburg on the 11th.

Some of the Sarde Mobile, wealthy, politic and brave, who love the Empire, are in the same spirit, but the real people are unanimously in the highest spirits; they will certainly fight, and ten times better

al Government at Paris would have been accepted by the Prussian Government if the exactions proposed by Prussia had been assented to. These embraced the cession of Alsace and Lerraine, and the a treaty of intervention. No fighting has occurred at Meiz since the 2d inst., except two hours of bombardment on the 13th.

The German officers say that the French reply is weak. The German forces have been contracted and have closed in much been contracted and have closed in much have to the walls during the many to the walls during the many to the say report terms.
